Upon completion, you should receive the following message. Our staff review all new Business Registrations for accuracy and authenticity. Please allow up to two business days to complete the registration process.

Business Registration

Congratulations!

Your business registration is now complete. Please allow one (1) to two (2) business days for processing and then log-in with the User ID and password that you created earlier in this registration. However, we will send a confirmation email to the email address that you identified earlier as your "Business Email Address" when your registration request has been completed. If you have any questions, please do not hesitate to contact a Business Banking Specialist at 740.450.2265.

Thank you very much for placing your trust and confidence in North Valley Bank.

If you have any questions, please contact one of the following representatives for assistance. 740.450.2265
